Each day:

1. Pick a poem or song to explicate (explain). Each poem/song must contain least 5 lines of text and be school appropriate. (Profanity is lazy, anyway.)
2. Get a hard copy by either printing or copying down the words.
3. Answer all the questions about the piece on the Poetry Explication worksheet. This should take at least a page.
4. You may turn this in either via Google Classroom or on paper.
